SUPPLEMENTARY INFORMATION: Section 17.101(a)(1) of title 38 C.F.R. sets forth the VA medical regulations concerning “Reasonable Charges” for medical care or services provided or furnished by VA to a veteran: for a nonservice-connected disability for which the Veteran is entitled to care (or the payment of expenses of care) under a health plan contract; for a nonservice-connected disability incurred incident to the Veteran’s employment and covered under a worker’s compensation law or plan that provides reimbursement or indemnification for such care and services; or, for a nonservice-connected disability incurred as a result of a motor vehicle accident in a state that requires automobile accident reparations insurance. The methodologies for establishing billed amounts for several types of charges are found in 38 CFR 17.101;

however, this notice will only address the acute inpatient and the SNF/sub-acute inpatient facility charges.

Based on the methodologies set forth in 38 CFR 17.101(b), this notice updates the acute inpatient facility charges that were based on the FY 2020 MS-DRGs. Acute inpatient facility charges by MS-DRGs are posted on the Veterans Health Administration (VHA) Office of Community Care's website, at the following link: www.va.gov/communitycare/revenue_ops/payer_rates.asp, under the "Reasonable Charges Data Tables" section, Inpatient Data Table, as Table A (v3.26). This Table A corresponds to the Table A referenced in a notice published in the Federal Register on September 30, 2019 (see 84 FR 51727). Table A (v4.21) referenced in this notice provides updated charges based on the FY 2021 MS-DRGs and will replace Table A (v3.26) posted on the VHA Office of Community Care's website.

Also, this document updates the SNF/sub-acute inpatient facility all-inclusive per diem charge using the methodologies set forth in 38 C.F.R. 17.101(c). This charge is adjusted by a geographic area factor that is based on the location where the care is provided. For the geographic area factors, see Table N, title "Acute Inpatient," and Table O, title "SNF," on the VHA Office of Community Care's website under the v3.27 link in the "Reasonable Charges Data Tables" section. Tables N and O are not being updated by this notice. The SNF/sub-acute inpatient facility per diem charge is posted on the VHA Office of Community Care's website under the "Reasonable Charges Data Tables" section, Table B (v3.26). This Table B corresponds to the Table B referenced in a notice published in the Federal Register on September 30, 2019 (see 84 FR 51727). Table B referenced in this notice is v4.21, which provides an update to the all-inclusive

nationwide SNF/sub-acute inpatient facility per diem charge and will replace Table B (v3.26) posted on the VHA Office of Community Care's website.

The charges in this notice for acute inpatient and SNF/sub-acute inpatient facility services are effective October 1, 2020.

This notice is retaining the table designations used for acute inpatient facility charges by MS-DRGs, which are posted on the VHA Office of Community Care's website under "Reasonable Charges Data Tables." This notice is also retaining the table designation used for SNF/sub-acute inpatient facility charges, which are also posted on the VHA Office of Community Care's website. Accordingly, the tables identified as being updated by this notice correspond to the applicable tables referenced in a notice published in the Federal Register on September 30, 2019 (see 84 FR 51727).

The list of data sources presented in Supplementary Table 1 (v4.21) reflects the updated data sources used to establish the updated charges described in this notice and will be posted on the VHA Office of Community Care's website under the "Reasonable Charges Data Sources" section.

The list of VA medical facility locations is also updated. In Supplementary Table 3, posted on the VHA Office of Community Care's website under the VA Medical Facility Locations section, VA set forth the list of VA medical facility locations, which includes the first three digits of their zip codes and provider-based/non-provider-based designations.

Consistent with VA's regulations, the updated data tables and supplementary tables containing the changes described in this notice will be posted on the VHA Office

of Community Care's website, under the "Payer Rates and Charges" information section.
